MCC Kit Bag Construction at Camp Hebron

Again, this year during our church retreat, you will have the opportunity to help construct kit bags for MCC. The bags will already be cut to size and ready for construction. You may choose to help with any stage of the process you like. If you want to sew you may bring your own sewing machine. If you wish to use one Ruth's sewing machines, please let her know, she will bring several. There will be lots of extra bags to string! We completed about 250 bags last year and filled about 50 of those with hygiene items.

*Hygiene Kit Bags are the most needed bag. If you would like to purchase items to fill bags please bring (to church or camp):

Good quality nail clippers,
Single packed toothbrushes,
6"-8" wide toothed comb
Bright or dark colored hand towels.
Bars of soap will be available to add to the bags.
