Vision Care Ethiopia

## Announcements

### Prayer and Fasting in June

The Pastoral Search Committee invites your participation in prayer and fasting as we continue to look for the person God is calling to pastor our congregation. During the month of June, we encourage everyone to fast the supper/dinner meal each Thursday with the purpose praying and interceding for this yet-identified individual.

The verse chosen for reflection this Thursday June 20 is:

1 John 5:14-15- For this is the confidence that we have toward him, that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have the requests that we have asked of him.

### Mulching

The trustees are planning an evening of mulching here at the church tomorrow, June 17, beginning at 6:00 p.m. They would appreciate all the help they can get. Many hands make the work light.

### New Books in the Church Library

*Streams of Living Water: Celebrating the Great Traditions of Christian Faith-* Author Robert Foster examines the six dimensions of faith and practice that define Christian traditions in the midst of constantly evolving faith and shows how a variety of practices are essential elements of growth and maturity.

*If We Can Love: The Mennonite Mental Health Story*, edited by Vernon H. Neufeld- The opening chapter of this book says: "With only a few church-related psychiatric hospitals in the US & Canada, it is significant that more than half are Mennonite-related. Who then are the Mennonites and how did they become involved in mental health services?" The remainder of the book discusses three areas: the Mennonite mental health centers, including Philhaven; what we learned, the sharing of knowledge from each mental health center about organization, leadership and governance and finally, what non-Mennonite mental health centers thought about the Mennonite concept of mental health. Even if you are not interested in the mental health field, this is still a very interesting book.
