Our current congregational spiritual practice is Repetition. Scripture uses repetition in story-telling, in the psalms, in feasts and festivals, repeating concepts, words, phrases, and sentences. For example, in Revelation 4:8, we are told that the four living creatures never stop saying, "Holy, holy, holy is the Lord God Almighty, who was, and is, and is to come." God uses repetition to reveal, emphasize, and implant truth more and more deeply in our hearts and minds.

**This week, please join together in reading and meditating on the following Scripture every day, possibly multiple times each day: Isaiah 43:1-7**

Consider reading the verses aloud, singing the words, thinking about it as you exercise, and/or drawing or painting the Scripture. Write down what God shows you and share it with each other on the whiteboard in the foyer on Sunday."
